

# Summer

## Year 6 Summer 2

### Reading

#### Reading for Pleasure

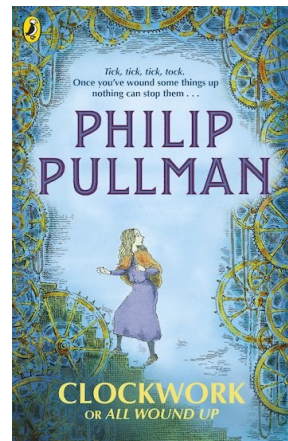

We will be reading this brilliant book about the end of primary school and heading towards high school—it's written in poems and set locally.

### Reading into

#### Writing

#### 'Clockwork'

We will be reading this gothic narrative novel by Philip Pullman and using this to explore different writing types.

### End of Year—Year 6 Production:

We are working hard to prepare our school play to perform for parents and the rest of the school.

### P.E

Mondays - Gymnastics with our coaches

Tuesdays - BMX sessions and Outdoor PE

### P.S.H.E

We will be getting ready for transition to High School

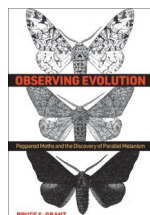

### Maths

We will be using all our learned skills to solve problems and crack codes... Plus some pre-high school learning.

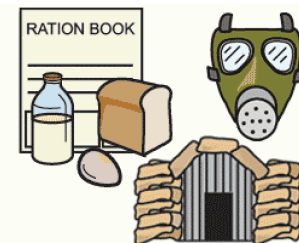

### Science

We will be exploring Evolution and Inheritance

### History:

We will be studying World War 2 and learning about how Britain changed.

### Topic Team:

A small group of us will be taking on mini-projects each week and learning to work as a team.

### Geography:

We will be exploring our local Platt Fields Park and identifying how it could be improved

### Computing:

We will be learning about the computer language of binary.
