

Sunshine Class

Autumn 1 overview

Topic

This term in Sunshine Class we are learning all about the World. We will explore the World through literature, science, sensory play and activities, like music, art, sculpture and crafts.

For our Physical development we will be –

Exploring our outdoor environments: the playground, the astro and the forest area.

Joining in music and movement activities.

Learning to be more independent with our self-care and taking responsibility for our things.

For our Communication and language development we will be learning to use symbols, signs and words to communicate our needs. Developing our language through songs, rhymes, stories and play.

Dates

End of term:

Thursday, 22nd October 2026.

Literacy

We will be exploring songs and stories related to our topic. Learning to understand and use more language related to our topic.

We will work on our mark making/writing, phonics and reading skills at our individual levels.

For our Maths development we will be–

working on number and ordering. We will practise our skills as a class and through play and continue to work on our individual targets.

In Personal, social and emotional development we will be –
Settling back into our classroom and class routine.
Learning to be independent.
Making new friends and taking turns.
Learning ways to regulate our emotions.
