End of Term Goal	I can describe the main settings, events and characters in a story.	I can make a decoration and talk about how I made it.	I can sequence events and the days of the week, and talk about and measure time in simple ways.	I can have a conversation about what I have learnt, using new vocabulary and answering questions.	I can talk about changes over time and tell you how we can care for ourselves and others.	I can use the internet to find information and then create a fact file.
