Termly Overview:

Autumn 2 is a very busy half term with lots to learn about, explore and do. We will attempt to stick to the overview below as much as possible during group time and planned activities, whilst following the children's interests during child initiated learning time.

Week 1: Bonfire Night and celebrations around the world
Week 2: Remembrance
Week 3: Road Safety Week
Week 4: Kipper's Birthday
Week 5: Introducing Christmas
Week 6: The Nativity story
Week 7: Celebrating Christmas and exploring Hanukkah

How to help at home:

Phonics: Keep going over the letter cards that we have sent home. You could make your own Bingo game or even hide them around the room for your child to find!

Your child will be coming home with word strips, these are simple VC or CVC words that they should be able to sound out and blend. Give them lots of encouragement and praise and let us know how they get on via Class Dojo.

Library: Share your child's library book with them and complete the review sheet, we change books each Tuesday so ensure books are in bookbags.
