

All Saints Nursery Autumn 2 Talk and Learn

Things I Will Learn

I will find out about special events and celebrations that are experienced in my community.

Halloween

Bonfire Night

Diwali

Remembrance Sunday

Christmas

I will learn about autumn and use my senses to explore natural objects and materials.

Conker

Acorn

Pine cone

Leaves

Pumpkin

Hot Chocolate

I will learn new describing words.

Loud

Quiet

Wet

Dry

Rough

Smooth

Hard

Soft

Warm

Cold

Let's Celebrate!

End of Term Goal

I can dance to a range of music and sing familiar songs.

Termly Overview:

Autumn 2 is a very busy half term with lots to learn about, explore and do. We will attempt to stick to the overview below as much as possible during group time and planned activities, whilst following the children's interests during child initiated learning time.

Week 1: Bonfire Night
Week 2: Remembrance and Children in Need
Week 3: Autumn
Week 4: Owl Babies
Week 5: Introducing Christmas
Week 6: The Nativity story
Week 7: Celebrating Christmas

Songs and Rhymes:

- Twinkle Twinkle Little Star
- London's burning
- Old McDonald
- Incy Wincy Spider
- Wind the bobbin' up

We sing and sign our termly rhymes, ask your child to teach you the signs too!

Number Rhyme:

5 Currant Buns

We will send home 5 currant buns for you to sing our rhyme at home too. Nursery rhymes are a great way for your child to learn numbers and become familiar with changing amounts.

How to help at home:

Share this Talk and Learn sheet with your child.

Spend time outside, experiencing the season and all that it brings. Talk about what you can see, hear, smell, feel and taste, use the key vocabulary words that we will be teaching and using in Nursery.

Send us photographs on ClassDojo showing your child engaging in new experiences, they don't have to link to our learning topic but it is great when they do!

Sing the songs and rhymes that we will be learning and complete the Talking Time activities we send home.
