Give your child lots of time when getting ready, support them in putting on and taking off their own shoes and coat.

Snack time:

We have a healthy snack at the end of the day. Your child will have a drink of milk or water. Encourage your child to eat lots of healthy fruit and vegetables at home too!

Look at the snack board to see what has been on offer each day.

How to help at home:

Share this Talk and Learn sheet with your child. Talk about the staff and use their names. Talk about how your child is feeling, talk about your feelings, use the symbols to support you. Exaggerate your facial expressions and body language too!

Sing the songs and rhymes that we will be learning. If you do not know the songs use the YouTube searches below:
