

We have given you 10 activities to choose from and would like you to complete any 5 of these over Spring 1. We are sure that you will put in a lot of effort for each piece of homework and you will enjoy presenting your homework to the rest of the class, sharing all of your hard work. Each activity is worth a different amount of Dojo points. As you complete the activities, please bring your homework into school- one task per week. Homework is due on Thursdays. If homework is not brought into school on Thursday, the children will complete one task during their break time.

Compulsory tasks:

Reading 15-20 minutes every day.

Times tables based on the weekly test which will take place each week.

Spellings based on the test which will take place every Friday.
