How you can support your child's learning at home...

This is an important time for our Year 6 pupils, as we prepare for the SATs. Please take the time to support your child at home with their homework and encourage daily reading of a challenging book.
It is vital that all children know their times tables up to 12x12 and can answer questions speedily without counting on their fingers.
If you have any questions or concerns, please contact us on dojo or at the end of the school day!
