Half term root value – Resilience Weekly branch Value – Empathy

### Head Teachers Comments

**Attendance** – This has been two weeks in a row where attendance has not achieved the high standards that school saw last term. Please could you ensure your child attends school and is on time. We don't want them missing valuable learning.

**Plastic Workshop** – On Tuesday, Plastic Shed came into school to work with all classes to create a whole school mosaic from all the bottle tops collected. Below is what we created:

This will be displayed in Stockport Town Centre. Will your child be able to point out the part they played in creating this? Many thanks to Miss Worthington who arranged the initial workshops, the competition, which we won and this workshop.

Have a lovely weekend with family and friends.

### Number Day 2026

Children made school look very colourful with many numbers seen everywhere! Many thanks for the kind donations, which will support the NSPCC. We will let you know next week how much money was raised.

Thank you to Mrs Seth, who organised the day and activities that children participated in throughout the day. A fun Maths day was had by all and was fantastic to see such a range of fun, engaging activities in class and across year groups.

Whole School Attendance **92%** (Target 96%)
