Half term root value – Resilience Weekly branch Value – Empathy

Head Teachers Comments

All Saints certainly does have the X-Factor! What a lovely way to finish the half term. All the children who performed were amazing and deserve a huge congratulations from the whole school. You all should be so proud of your achievements this afternoon.

Year 4 stepped back in time for an unforgettable **Viking Day**. The highlights were undoubtedly the hands-on look at legendary Norse weaponry and the gripping stories behind their most famous battles. The Viking tour guide took children on a journey through time, exploring Viking livelihoods, artefacts and entertainment.

Year 3 children really enjoyed their **Roman day**. They did a Roman quiz and learnt all about Boudicca, Roman marching, weapons, armour and chariot racing. Thank you to parents who took their time, to make Roman outfits, they were amazing!

Year 5 Trip to the Manchester Museum

Year 5 had a fantastic time visiting the Manchester Museum. They explored a variety of artefacts from different historical periods, with the Ancient Egypt section being a particular highlight; the children were fascinated to see a real mummy in its tomb. Our young historians also stepped into the shoes of archaeologists to practise excavating fossils, before topping off the trip with a visit to the impressive T-Rex
