### In the Spotlight... Mrs Foulkes

#### What was your favourite subject at school?

When I was at school my favourite subject was Science! One of my favourite memories is a school trip to CERN to see the Large Hadron Collider. I also studied Science at University.

#### What is your favourite holiday destination?

For me, the best holidays are all about family time with my three little ones! I don't enjoy sunbathing - you'll find me in the pool on sunny holidays! I'm really looking forward to going skiing during the Easter holidays.

#### What do you like most about All Saints?

I'm so proud to be part of our school family. Whether it's the children, the staff, or the parents, there's a great sense of togetherness here.

#### What is your favourite children's book?

Harry Potter! My Potter obsession finally paid off when my high score on a Harry Potter quiz landed me free tickets to see The Cursed Child in the West End.

#### What is your favourite food?

I love Thai food!

“Love learning together.  
Love each other and our community.  
Love ourselves.”

1 Corinthians 16:14, 'Let all that you do be done in love.'
