Head Teachers Comments

Science Week – Children have enjoyed extra science lessons and experiments this week. Their week begun with a ‘Mad Science’ assembly. It has been a fantastic week. Thank you to Miss Worthington who organised such a great week for school.

Attendance – This has dropped from last week and it is not where it should be. Below is a reminder of the effect absence from school can have on your child’s learning and progression:

Attendance during one school year	Equals days absent	Approximately weeks absent	Number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons
80%	38 days	8 weeks	200 lessons
75%	48 days	10 weeks	250 lessons
70%	57 days	11.5 weeks	290 lessons
65%	67 days	13.5 weeks	340 lessons

Uniform – Please ensure your child is wearing the correct school uniform including black shoes or trainers.

Have a good weekend and hopefully the weather gets warmer!

In the Spotlight...Miss Mverscough

What was your favourite subject at school?

My favourite subject in school was English. I loved being able to write a story based on a character I’d made up. I enjoyed being able to use my imagination and my poor teachers would have to read pages and pages of work!

What is your favourite holiday destination?

My favourite holiday destination is Spain. I went on family holidays to the Balearic Islands every year as a child and got to revisit my favourite place in Menorca last year as an adult.

What do you like most about All Saints?

My favourite thing about All Saints is the staff and children. Since I started everyone has been so welcoming and supportive. I like that the children will come over and chat to me when they see me around the school or on the playground.

What is your favourite children’s book?

The Cat in the Hat. I read the book so many times the pages were all crumpled!

“Love learning together.
 Love each other and our community.
 Love ourselves.”

1 Corinthians 16:14, ‘Let all that you do be done in love.’
