Our focus value this half term is - FRIENDSHIP

Year 6 Residential

On Wednesday we waved our Y6 pupils off on their latest adventure, to Dearne Valley PGL Centre. They have had an incredible time taking part in activities including raft building, abseiling, high ropes and archery. Trips like these provide our pupils with the opportunity to step out of their comfort zone, experience and overcome challenge, discover new talents and grow in independence. I know that you will join me in thanking Miss Hyde, Mrs Shandley and Mrs Fitchett for giving of their time to make the trip such a success. It could not happen without them, and we hope that they (and the children) enjoy a well-deserved rest this weekend.

Ethos Team Update

Our Ethos Team have been meeting to discuss our school values and reflect on how we can model for, support and encourage our classmates. They have also been looking out for children living out our values around school, and these children will be invited up on stage in our Friday Celebration!

Finally, they have been helping me to gather and display your generous Harvest donations. Thank you to these great ambassadors for our school.
