Our focus value this half term is - FRIENDSHIP

School Values

As you know, this term we have had a spotlight on Friendship. The children have taken part in individual, group or whole class activities and challenges to promote friendship in our school community. As we move into Autumn 2 our focus will shift towards the value of 'Respect'.

Phonics Success

One of my favourite responsibilities in school is conducting the phonics assessments at the end of each half term. This week, I have been so impressed with the progress made by pupils across our EYFS and KS1 classes, with some individuals moving up two or even three groups. Thank you for the time you spend reading to, and with, your child at home - it is making such a difference!

Wishing you all a wonderful half term break 😊
