

# Important Information Year 1

## What does my child need to bring daily?

Your child needs a **water bottle, book bag and jumper (plus coat weather dependent) daily**. Please ensure all of these items are clearly named. The classroom has an allocated box for all of these items and it is your child's responsibility in Year 1 to look after these. Naming their items means they are easy to find if they do misplace them as they are learning to become independent.

## When is PE?

**PE will be every Wednesday and Friday this half term.** Please ensure your child has their PE kit. They can leave this at school on their peg. Please remind your child when you would like them to bring this home to wash.

## Homework

Homework consists of daily reading, ideally five times a week. Additionally, your child will also bring home a grid of words each week to support them, which is explained in the 'Reading at Home' booklet attached. If you would like to support your child further at home, I have included a list of videos and games too to cover some of our Maths topics. However, most importantly, I strongly believe your child should be spending their time at home exploring outside and playing after a whole day of learning at school and enjoy being a five or six year old!

Monday- Return reading book

Wednesday and Friday- PE

Daily- reading at home
