

English

Class text: Shackleton's Journey

This term, our focus text is a non-fiction book which will inform us about an expedition to the Antarctic. Throughout the term, we will explore the text through role play and writing in role as crew members from the expedition. We will also be writing recounts, letters and newspaper reports based upon the facts within the text.

Maths-

Fractions- Exploring equivalent fractions and simplifying, converting between improper fractions and mixed numbers, comparing and ordering, adding and subtracting fractions, problem solving.

Multiplication and Division- Multiplying up to a 4-digit number by a 2-digit number, short division, long division, mental strategies for division, problem solving.

Eagles Autumn 2 Cycle 2

Science - Evolution and Inheritance

In this topic, we will be exploring how living things have changed over time, and how different animals and plants are adapted to suit their environments.

Computing- Creating a web page

We will begin this term by exploring how we can protect ourselves from phishing in our e-safety lesson. We will then be looking at website layout and content to decide what makes a good website in order to help us create our own.

French- My home

We will be learning new vocabulary to allow us to describe where we live. We will apply our learning through speaking, listening, reading and writing activities.

PE - Football

This term, pupils will develop their teamwork, communication, and coordination skills while learning to pass, dribble, and shoot with control. They will understand the importance of fair play, following rules, and supporting one another during games.

Music- How does music connect us to our past?

In this topic, we will explore and discuss a variety of music pieces from different time periods. We will also further develop our ensemble skills as we use our voices and musical instruments to perform together.

RE- Christianity. Christmas

This term we will be exploring Christian Christmas celebrations and traditions. We will be discussing how these help people to understand who Jesus was and why he was born.

History - The Railways

We will be exploring the development of the Railways in Great Britain. We will look at changes over time, some of the significant early locomotives and some of the significant people involved.

Art- Art in motion

We will be exploring different ways movement can be shown through art. We will begin by exploring famous art pieces and expressing our opinions.

PSHE- Being My Best

We will be looking at how we can be our best. Our focus will be looking at different skills and qualities that can help us to achieve this as well as how we can help others.
