Booking Procedures

- Only 15 spaces are available per day for breakfast and after school clubs.
- All sessions must be booked at least **7 days in advance** via the School Spider app.
- **Last-minute bookings:**
If you require a booking after the deadline, please contact the school office by phone. We can open a "late booking" product for you, which includes an additional **£2 per session, per child**.
- **Emergency bookings:**
These will be accepted where possible and charged at the school's discretion.
A **£10 late payment fee** may be applied if payment is not made within 7 days.

Please ensure all bookings are paid **before** your child attends the session.

Payments and Arrears

- Fees must be paid promptly.
- If an account falls into arrears, we may need to **pause access to the club** until the balance is cleared.

This measure helps to ensure the club remains financially sustainable for all families.

Activities and Food

Children will enjoy a range of age-appropriate indoor and outdoor activities.
Breakfast Club also provides a healthy breakfast.

We prioritise mental health and wellbeing at Hazelbury and enjoy fun time Friday, the last Friday in every month. On this day, we provide a 'treat breakfast', offering a selection of pastries, fruit, crumpets or pancakes. Children are welcome to bring an additional snack to After School Club if they wish.
