Have courage, grow roots, shine bright!

Hazelbury Bryan Primary School Newsletter

Date: 13th November 2026

Value of the month: Responsibility

Keeping Everyone Safe

A gentle reminder to all families that our school car park is a busy area at drop-off and collection times are not a place for children to play. Please keep children close to you and supervise them carefully at all times. We would also be grateful if pathways could be kept clear to help everyone move around safely. To help us start our after-school activities safely and on time, particularly Monday football club, we kindly ask families to leave the site promptly once children have been collected. Thank you for your support in keeping all members of our school community safe.
