Safeguarding at Heald Place Primary

Our school has a safeguarding policy for staff, families and friends. A friendly policy is designed for you.

It will help you decide what could be a problem and when. You might want to talk to someone about something that worries you.

We have people in school who are trained to help you. It is important that you know where to get help if you are unhappy about something.

Safeguarding means we will:

Protect you from harm

Make sure nothing stops you from being happy

Make sure you are looked after safely

Make sure you have the best chances in life

How we will:

We will make sure you are secure to learn

We help you stay safe at school

We think you should get help if you are unhappy

Who can help you in School?

All your teachers and support staff are here to help you. They care for your safety. At Heald Place there are also some adults who are sure you are safe and well cared for.

Mr Denton - DSL

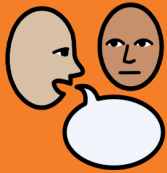

Miss Zaidi - Deputy DSL

Mr Kapacee – Headteacher

Miss Henderson -
