Safeguarding at Heald Place Primary School

Our school has a safeguarding policy for staff, families and governors. This child friendly policy is designed for you.

It will help you decide what could be a problem and where to get help.
You might want to talk to someone about something that is upsetting you.

We have people in school who are trained to help you.
It is important that you know where to get help if you are worried or unhappy about something.

Who can help you in School?

Every Child a Confident Learner

All your teachers and support staff are here to help you. They care very much for your safety. At Heald Place there are also some adults who are responsible for making sure you are safe and well cared for.
