

Welcome to Year 4

Welcome back to school and a special welcome to Year 4. Hope you have all had a restful summer and are ready for the challenges and excitement of the year ahead.

Now that we're all settling back into school life here's a quick overview of the day-to-day house keeping issues to get you up to speed. If you have any questions, please feel free to send us a message via the school office.

Maths

We will be starting our weekly class TTRock Stars session next week .

Please support your child with learning their tables by heart with regular practice. Homework will consolidate the work we have done in class. If your child is struggling with any aspect of homework, do let us know, so we can help.

Reading

Children in Year 4 are expected to read at home for 15-20 minutes every night. This can be independent reading or reading aloud to you. We have organised guided reading books and in addition all children are allowed to choose a book they want to read. Your child will probably also have books and magazines at home they will read with you. **IT DOESN'T MATTER WHAT YOUR CHILD IS READING AT HOME—AS LONG AS THEY READ AND RECORD IT.**

Please listen to your child read and make a comment in their reading record. It is also fine for you to countersign the children's comments if they have read independently. Please help ensure your child has their reading record in school EVERY day. Thank you.

Spelling

Spelling homework will be on Google Classroom—there is **NO** weekly spelling test. We do more work in class.

Upcoming Events
