

# OUR LOCAL AREA

## National Curriculum Objectives

Pupils should develop knowledge about the world, the United Kingdom, and their locality. They should understand basic subject-specific vocabulary relating to human and physical geography and begin to use geographical skills, including first-hand observation, to enhance their location awareness.

## Key Vocabulary

physical	mountain	England	Northern Ireland
human	village	Wales	mainland
compass	jetty	United Kingdom	transport
map	island	Scotland	landscape

Substantive - Subject Knowledge    Bigger Picture - Support words

Question driven outcomes for knowledge:	Pupil	Teacher
How are human and physical features different?		
What human and physical features can we find in Litherland and an island?		
What are the four countries in the UK called?		
Can we locate/label the four countries on a map of the UK?
