

Our School

National Curriculum Objectives

Pupils should develop knowledge about the world, the United Kingdom and their locality. They should understand basic subject-specific vocabulary relating to human and physical geography and begin to use geographical skills, including first-hand observation, to enhance their locational awareness.

Key Vocabulary

atlas	physical	grounds	observation
map	aerial view	layout	environment
human	key	school	locality

Substantive – Subject Knowledge

Bigger Picture – Support words

Question driven outcomes for knowledge:	Pupil	Teacher
How can we use maps/aerial photos to find out the layout of our school?		
Can we create our own maps of the school and the surroundings?		
Why is a 'key' important when using a map?		
What physical and human features can we see in and around our school?
