

National Curriculum

Pupils should extend their knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America. This will include the location and characteristics of a range of the world's most significant human and physical features. They should develop their use of geographical knowledge, understanding and skills to enhance their locational and place knowledge.

Key Vocabulary			
continent	climate	weather	seasons
Equator	current	Gulf Stream	latitude
Europe	landlocked	biome	savanna
Mediterranean Sea	Mediterranean climate	temperate climate	rainforest
Atlantic Ocean	tropical	polar	tundra
