

Art

Year 2 Spring 2

Can I create a camouflage picture using pattern?

Objectives

- To know and understand how and why pattern and colour is used in nature, and how it has inspired human design (e.g. combat clothing).
- To recognise the work of artists and designers, making links to their own work.
- To know how to use shape, form, colour, line, space and texture to create patterns.
- Use drawing and painting to create a design with a theme of concealment.
- To use knowledge of pattern to create the effect of camouflage.
- To effectively evaluate own work.

Key Vocabulary

straight	spots	nature
irregular	squiggles	Symmetry
round	pattern	flowing
lines	patches	camouflage
square	3D	stripe

Learning Intent Questions	Pupil Assessment	Teacher Assessment
Can I sketch patterns that I have observed in nature?		
Can I create my own patterns using line, shape and colour?		
Can I create a camouflage picture using pattern?
