

# The Amazon Geography

## National Curriculum

Pupils should extend their knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America. This will include the location and characteristics of a range of the world's most significant human and physical features. They should develop their use of geographical knowledge, understanding and skills to enhance their locational and place knowledge.

## Key Vocabulary

South America	nutrients	ranching	humid
canopy	decomposition	food chain	camouflage
basin	compost	conflict	ecosystem
habitat	carbon cycle	power	decomposers
Substantive - Subject Knowledge		Bigger Picture - Supporting words	

## Key Vocabulary Definitions

Questions to develop knowledge and understanding.	Pupil	Teacher
