

# COMPUTING

## Online Safety – Y5 Summer 2

**National Curriculum:** use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.

**Strand:** Privacy and Security

**Intent:** I can demonstrate ways in which someone can change their browser settings to make their online browsing more secure (e.g. cookie permissions, do-not-track-me, password storage, incognito).

Key Vocabulary			
browser	information	shared	browse
online	Steps to control	information	browser
Digital footprint	cookies	history	settings
security	share	visible	anonymise
Substantive- subject knowledge		Bigger picture- supporting words	

Intents	Student
Do I understand that browsing discloses personal data?	
Do I know about different ways that I can change settings to make my browsing more secure?
