

YEAR 1 INVASION GAMES

This term we will continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. We will communicate, collaborate and learn how to improve our skills through football. In addition, we evaluate and recognise our own successes.

Invasion Games:

We will play a range of games to develop our defending and passing skills. We will develop these through games such as piggy in the middle, bench ball and developing our passing skills.
