

Year 2 Rounders

This term we will continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. We will communicate, collaborate and learn how to improve our skills through rounders. In addition, we evaluate and recognise our own successes.

Kick Rounders:

We will learn to use running, jumping, throwing and catching in isolation and in combination, whilst playing competitive games of kick rounders. We will learn to apply basic principles suitable for attacking and defending and compare our performances with previous ones and demonstrate improvement to achieve our personal best.
