

YEAR 5 FOOTBALL

This term we will continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. We will communicate, collaborate and learn how to improve our skills through football. In addition, we evaluate and recognise our own successes.

Football:

We will play competitive games of football and apply basic principles suitable for attacking and defending. We compare our performances with previous ones and demonstrate improvement to achieve our personal best.
