Hatton Hill Highlights

9th October 2026

Dear Parents and Carers,

Summer Reading Challenge: Congratulations to the children who completed the Summer Reading Challenge over the six-week summer holiday. I am delighted to announce that we came second (a podium position) and we were the most improved school!

Family First - Behaviour Secrets for Parents: We are pleased to be able to offer this course for parents which is entirely online. Once signed up, you will receive a twelve-week email sequence guiding you through the Family First programme. The course aims to provide the best strategies, tricks and tips for managing childhood behaviour condensed into a series of easy-to-follow videos and quizzes. All of the strategies have been proven in the world of education, or are backed by scientific research. To make sure you're supported every step of the way, you will also receive a set of email messages that offer extra information, methods for 'powering up' the strategies, and on-going support and encouragement.

If you would like access to the course below, please complete the form below. You will be sent a paper GDPR form which allows us to pass your information to the course provider, Beacon. Beacon will then email your directly with login information. We really hope parents will find this useful and supportive. For more information and to register your interest visit: https://forms.gle/MjmJuDAPjo7VpQjr7

Healthy Snack: It has been noticed, with some surprise, that some children have started to bring sweets and other unhealthy snacks to eat at breaktime. This is not allowed. Schools are required to follow the School Food Standards. Children should bring healthy snack, such as fruit, not snacks which contain sugar. In response to pupil voice, we also offer toast on some days. Sweets, chocolate bars, etc, will be taken off children. Thank you in advance for your support.

Attendance Bike Competition: I am delighted to announce that Evans Cycles have agreed to once again gift Hatton Hill an attendance award. If children achieve 96%+ attendance between Monday, 12th October and Friday, 4th December 2026, they will be entered into the bike raffle to have a chance of winning a brand new bike!

Attendance Disco: Our attendance reward disco is also in sight! This will take place on Wednesday, 21st October. Children will be invited if they achieved 95%+ in the summer term or 95%+ in the autumn term. Children will be given a drink and a sweet shop will be open (max £2.00 spends). They may also wear a costume which is fun-spooky, not scary-spooky. Infants may bring their costume in a bag – please make sure it is named! The attendance rewards have been a big motivator to our children and we are very impressed with improvements to attendance. Well done, everyone.

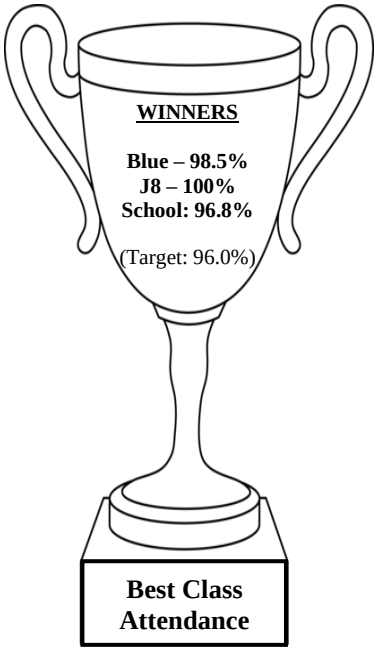

Our Pumpkin Decorating Competition is back by popular request. To enter, children should bring their pumpkin into school on Monday, 19th October 2026 with £1.00. There will be a treat-bag prize per class for the winner as well as a wildcard prize (name out of a hat of all who entered). Parents may then bring children back into school (via the main entrance) to view all the creations between 3.30 and 4.00pm. We will also have collection bucket during this time. All profit will be donated to Alder Hey children's Hospital which supports the health needs of so many of our children.

Yours faithfully,
Mrs Anna James
Headteacher

Week Commencing: Monday, 12th October 2026

Monday		
	Indoor PE lesson – remember pumps	Years 1 & 5
	Outdoor PE lesson	Reception
	Lunchtime Sports Club	Year 5
