

### Pick and Mix – Home Learning experiences – Dangerous Dinosaurs

These activities are for you to do at home, you can do all of them or choose the ones that you find most interesting. Bring in or post your finished work to your portfolio, so that we can share and celebrate it with your classmates. I will post this document on to our Reception Class Dojo 'Story.'

Dinosaurs are prehistoric reptiles and they lived millions of years ago. Dinosaur means terrible lizard.

Can you describe which dinosaur you like best and why?

Places you could visit!

Here are a few suggestions of places to visit in the North West relating to dinosaurs:

Liverpool World Museum – Dinosaur Exhibition

Blackpool Zoo – Dinosaur Safari

Manchester Museum – Fossils collection

Visit the BBC Bitesize – Dinosaur Discovery website and play the game.

What dinosaur facts did you find out when you played the game?

Make a dinosaur picture. You could draw, use paint or a paint program on a computer.

Try CBeebies – Make a prehistoric picture paint program.

Fossils are preserved bones or prints. Discover the Natural History Museum's dinosaur's website to find out more about fossils.

Make salt dough by mixing 1 cup of plain flour, ½ cup of salt and ½ cup of water. Use the salt dough to make a dinosaur skeleton. Take a photograph of your dinosaur skeleton!

When dinosaurs lived millions of years ago the world looked very different.

Draw a dinosaur island map that includes a volcano, swamp, forest, caves and a river. Then write instructions for a route around the island.

There are lots of animals alive today that have relatives that were alive at the same time as the dinosaurs. Match the prehistoric creature to its modern-day relative.

Please ask Miss Walton for this sheet 😊

Find out some facts about one of these prehistoric creatures.

*sarcosuchus*

*archelon*

*megalodon*

*tyrannosaurus*
