

### Pick and Mix – Home Learning experiences – Exploring Autumn

These activities are for you to do at home, you can do all of them or choose the ones that you find most interesting. Bring in or post your finished work to your portfolio, so that we can share and celebrate it with your classmates. I will post this document on to our Reception Class Dojo 'Story.'

Go on an autumn walk and crunch through leaves, catch falling leaves and collect acorns, conkers, blackberries, and other autumn treasures.

What did you see on your walk?

Ask Miss Walton for an autumn walk sheet ☺

Make a collection of different autumn treasures. Draw your autumn collection or take a photograph.

Collect 10 different coloured autumn leaves.

What colours of leaf did you find?

What colour of leaf did you find the most of?

Choose your favourite leaves and use wax crayons to take leaf rubbings.

Collect 10 conkers or acorns. Pick a number from 5–10 and find different.

What number will you pick?

How many ways can you make the number?

Lots of vegetables are harvested in autumn. Choose vegetables from below, and use them to make a warming, autumnal vegetable soup.

Carrot, Squash, Potato, Onion, Swede, Parsnip, Broccoli, Leek, Pumpkin, Sweet Potato.

How did your soup taste?

Some animals are wild animals, and some animals are pets. Draw a wild animal and a pet and label them.

Finish your home learning by drawing a picture to show that it is autumn.
