PE Kit

School Dinners

Our Kitchen team make school dinners fresh on site, every day.

The children will have a choice of meals, which will need to be chosen online using our new service. Please ask the office if you need help/advice with this.

Home-School Partnership

We know that communication is key between home and school, and we have an open-door policy. Please come and speak to us if you need to.

- We will have two Parents' Evenings (Autumn and Spring) and you will receive a report in the summer term.
- Photos of learning will be shared on our class page's gallery.
- Our website will also hold all the information you need.
- You can also write messages in your child's reading record.

Online Communication

As a school, we communicate to all of our families via the School Spider app.

Please ensure you have downloaded the School Spider app as important forms and notices may be sent out for you to complete.
