

Year 2 Autumn 2 Homework Menu

Homework should be a fun way to enhance learning. It should not be a task or a chore. The tasks are often open ended so please allow your child to show their learning in a way that suites them. There is no hand in day for homework but children can share their Homework Journals as and when with the class by way of recognition for their hard work. Please keep the Homework Journals in the school bag so that new work can be slotted into them. **Please don't** leave sheets in plastic reading wallet as they get crumpled and lost. They can either glue in or taken out at home, Thank you.
