

Miss Clayton's Takeaway Menu – Autumn 2

The homework activities in the table below are all linked to your learning in class. We are excited to see your home learning and we are hoping to put some of your brilliant pieces on display throughout the year. If you have photos of extra home learning or achievements from home, you can also put these in your homework books to share with the class and your teachers.

Aim to complete two pieces of homework each week and please tick or cross off which of the activities you have completed. At the back of your homework books are spelling and maths facts assessments. The Year 3 teachers will tick off throughout the half-term when you have achieved some of these skills. If you are feeling super ambitious, you can practise these spelling and maths skills at home!

Maths	English	Reading	Maths
Complete the maths arithmetic challenges.	Complete the punctuation and grammar challenges.	Complete the reading comprehension challenges.	Complete the maths reasoning challenges.
Geography Create a poster all about volcanoes. You might like to include facts including: • What are volcanoes? • What types of volcano are there? • What is a volcanic eruption? • What is magma? • What are tectonic plates?	Maths Complete the column addition and subtraction challenges. 	English/Science Research an animal of your choice and create a quiz about them, including: • The name of the animal. • 8 quiz questions (for example, about their habitat or what they eat). • A picture or drawing of the animal. • Remember to put the answers on the next page! We will use these quizzes to test our friends in the classroom!	Geography Research and create a fact file about a volcano.  For example, Mount Fuji in Japan.
Reading Write down three words that you find interesting in your books. • Use a dictionary to find out their meaning. • Can you put them in a sentence? • How many syllables do they have? • Can you find any synonyms or antonyms? • What words do they rhyme with?	DT/Science Follow a recipe to create something delicious with your family. 	English Read a fable of your choice and write a short summary of what you have read. Remember to use time adverbials! 	IXL Practise your maths and English skills on IXL twice a week. <u>Maths skills this half-term on IXL:</u> • Perimeter • Money <u>English skills this half-term on IXL:</u> • Nouns • Verbs • Adjectives • Adverbs
Maths Practise your times tables using Times Tables Rock Stars twice a week.	English Practise your handwriting using the templates in your book.	Maths Practise counting in 2s, 3s, 5s, 10s, 50s and 100s.	Maths Ask an adult to quiz you on what time it is every day. Can you read the digital and analogue time?
