

HARRIS PRIMARY SCHOOL

Be Kind • Be Thankful • Be Ambitious

Year 2 Spring 2 Homework Menu

Homework should be a fun way to enhance learning. It should not be a task or a chore. The tasks are often open ended so please allow your child to show their learning in a way that suites them. There is no hand in day for homework but children can share their Homework Journals as and when with the class by way of recognition for their hard work. Please keep the Homework Journals in the school bag so that new work can be slotted into them. **Please don't** leave sheets in plastic reading wallet as they get crumpled and lost. They can either glue in or taken out at home, Thank you.

<p>MUST Daily reading and / or questions</p>	<p>MUST Multiplication practise, games or TT Rockstars</p> <p>Children need to practise and learn their x 2, x5, x10</p>	<p>MUST Spellings.</p> <p>We will be using Spelling Frame this year. Log ins are in the front of the diaries. The test will now be on Mondays beginning with Rule 18 on the 23rd February. Please note that week 21 & 22 will be combined into 1 week.</p>	
<p>Literacy</p> <p>Please log into IXL and complete an area of choice or the set learning. Log ins are in the front of the diary, Sometimes sheets may go home instead and should be glued in and returned in their Homework Journal. These will include handwriting sheets started in class to be completed at home.</p>		<p>Maths</p> <p>Please log into IXL and complete an area of choice or the set learning. Log ins are in the front of the diaries. Sometimes sheets may go home instead and should be glued in and returned in their Homework Journal.</p>	
<p>Science / Computing / Maths</p> <p>Make a tally of different types of plants you can see (on a walk or in your garden). Turn the tally into a pictogram either by hand or using IT</p>	<p>DT</p> <p>Use what you have learnt about wheels and axels - see what you have a home to make the mechanics for a vehicle of your choice.</p>	<p>Maths / Science</p> <p>Plant a sunflower seed (indoors). Watch it grow and measure it each week. Alternatively plant a seed from a fruit or vegetable.</p>	<p>History / English</p> <p>Write a fiction story about a character who goes into space. Use your knowledge from the topic to add details.</p>
