

HARRIS PRIMARY SCHOOL

PRESCHOOL NEWSLETTER

Week Ending 6th March 2026

Dear Families,

This week in preschool we have been learning all about **Spring** and the changes that happen in the world around us during this season. The children began to explore the topic through a range of hands-on activities, discussions, and observations. We began the week by introducing the idea of spring and talking about the signs of spring such as flowers beginning to grow, buds appearing on trees, and the weather becoming warmer. The children were encouraged to explore around our outdoor area to look closely for these changes. During our discussions we introduced some new vocabulary including *blossom, bud, daffodil, soil, stem and roots*.

Throughout the week the children explored our spring investigation table, where they used magnifying glasses to closely observe flowers, leaves, and pictures of spring plants. The children enjoyed planting their own seeds. We talked about what plants need in order to grow, learning that they need soil, water, and sunlight.

We also explored spring using our senses. The children had opportunities to smell flowers, feel soil and natural materials in our sensory tray, and listen carefully for birds when outside. They were encouraged to describe what they could see, feel, and hear using descriptive language. As the week continued, we began to talk about observing change, looking back at our planted seeds and discussing what might happen as they begin to grow.

Our classroom activities also included a fine motor “make a flower garden” activity, cut and stick the parts of a flower to make your own flower picture and painting on the easel where the children experimented with mixing blue and yellow paint to make green.

This week we also celebrated **World Book Day** along with the rest of the school. The children enjoyed dressing up as their favourite book characters and joining the whole school assembly. Throughout the week we held a daily book vote, and the children had great fun sharing and listening to lots of new stories that we had not read before.

Happy weekend! The Pre-School Team 😊

Things to Remember:

- *Please remember to pre-order your child's school dinner.*
- *PE session with Mr Ridge every Thursday morning. Please provide appropriate footwear.*

Star Award

Daniella
