

Miss Rigbys' Takeaway Homework

Summer 1

Homework should be a fun way to enhance learning. It should not be a task or a chore.
 The tasks are very open ended so please allow your child to show their learning in a way that suits them.
 Some tasks are quick and should not take too much time to complete.
 Other tasks are more project based and can be completed over the half term.

<p>Science</p> <p>Plant a seed or bulb and start a weekly diary recording the changes. You could draw or take photos of how it changes and measure how much your plant grows over the half term.</p>	<p>Design Technology</p> <p>Create a rainbow diet chart.</p> 	<p>Assembly</p> <p>Practise the songs and poems for our class assembly. They can be found on the next page.</p> <p>You will also have some lines sent home during the half term to practise.</p>	<p>English</p> <p>Write your own set of instructions. This can be how to plant, bake or make something. Remember to number each step and make your sentences clear to read and easy to follow.</p>
<p>Science Seasons</p> <p>Create a seasons poster all about Spring. It could include the spring months, a weather chart, flowers and animals.</p>	<p>Maths</p> <p>Learning to tell the time can be one of the trickiest concepts to grasp. Help your child to tell the time o'clock and half past.</p> 	<p>Free Choice</p> <p>Create a piece of work linked to something you have learnt about so far in Year 1. Ideas: PowerPoint, Poster, Model, Story, Video, Photos and Captions.</p> <p>Science, History, Geography, Art, Design Technology, RE, PE, PSHE/Happy Mind, Spanish, Music</p>	<p>Sticky Learning</p> <p>Animal groups</p> <p>https://wordwall.net/resource/9941261/science/year-1-classify-animals</p>  <p>https://wordwall.net/resource/491417/science/carnivores-herbivores-and-omnivores</p> 
<p>Phonics Screening Check</p> <p>On our school website, go to our Year 1 page. Here, I have shared lots of Phonics Screening Check practice papers and support materials.</p>	<p>Maths</p> <p>Make digit cards 0-9. Turn two cards over to make a 2digit number. Can you draw the tens and ones for the number you have made. Repeat until you have 10 different numbers. Order the numbers, write the name of the numbers in words.</p>	<p>SPAG</p> <p>Write these words in past tense by adding the suffix -ed</p> <p>play call watch look pull push help miss ask float</p>	<p>Be Kind Be Thankful Be Ambitious</p> <p>Complete one of the top challenges on the homework grid.</p>
<p>Weekly Spellings</p> <p>Complete the weekly games and spellings on Spelling Frame. Your child's log ins are at the front of their homework book.</p> 	<p>Weekly Reading</p> <p>Read both of your reading books at least twice each week. Remember to record in your reading record when you have read at home.</p>	<p>Weekly Numbots</p> <p>Your child's log ins are stuck in their reading records on the Log in's page.</p> 	<p>Weekly Handwriting</p> <p>Practise writing capital letters correctly. Ask an adult to write these in some words.</p> 

Assembly songs and poems

Great Fire of London Poem

Sunday 2nd of September sixteen sixty-six,
London burnt like rotten sticks.
The fire started down Pudding Lane,
Thomas Farriner's bakery will never be the same.
The summer had been hot, so houses were dry.
The perfect conditions for flames to fly.
Strong winds blew down each street,
And many people decided to flee.
Londoners tried with buckets and squirts
But 2 days past and the flames still burnt.

Continents Song

<https://www.youtube.com/watch?v=K6DSMZ8b3LE>

The world is split up into continents
There are 7 in all.
And if you get the gist,
We're gonna make a list
From biggest to small
They are Asia, Africa, North and South America, Antarctica,
Europe and finally Australia.

Oceans Song <https://www.youtube.com/watch?v=vfv7TF9RHbY>

We're one global ocean broken up into 5
We cover 71% of the earth and to this we will die.
Pacific
Atlantic
Indian
Arctic
And Southern too
Are the names of the oceans that cover your world in blue.

United Kingdom Poem

The United Kingdom is our home
Lions, Giants, Unicorns, Dragons roam.
England's the largest, the lions land,
The capital is London and in Preston we stand.
Scotland is north where the unicorns are,
Edinburgh is the capital but the Loch Ness Monster is the star.
Wales joins England on the side,
From Cardiff to Snowdon the Dragon glides.
Northern Ireland is across the Irish Sea
Belfast is the capital and the Giants causeway is a wonder to see.
