

# HARRIS PRIMARY SCHOOL

## PRE-SCHOOL NEWSLETTER

Week ending 16<sup>th</sup> April 2026

This week, we have been reading 'Jack's Giant Problem', an alternative story to Jack and the Beanstalk. The children enjoyed this story and also enjoyed reading the original version; joining in with the repeated language "fee-fi-fo-fum!".

### Rhyming Superstars!

We have been exploring rhyming words in Phonics this week and the children have blown us all away! They are able to retain rhyming words previously covered and even come up with some rhyming words of their own – amazing!

### Planting

Linking in with our book of the week, we planted our own magic beans! We carefully scooped the compost into the pots, made a little hole for our bean to sit in and carefully covered it over with some more compost. We have been watering our beans every day to make sure they grow – hopefully to the size of the beanstalk in the story!

### Clean teeth!

This week, we have been discussing how to keep our teeth clean and healthy. The children knew to brush their teeth twice a day! The children have had lots of fun drawing teeth this week and also painting the yellow teeth with 'toothpaste' to make them sparkly and white.

Have a lovely weekend!

The Pre-School Team 😊

### Things to Remember:

- Please NAME all uniform. Thank you.
- Please visit the link below, all about how you can prepare your child for Reception: [Download the Starting Reception Definition as a PDF](#)
