Week ending 24th April 2026

Breathe in... breathe out

This week, we have been reading 'Barbara Throws a Wobbler'. In this story, Barbara is feeling very angry so does some deep breathing to help calm her down and get rid of her 'wobbler'. The children loved this week's story and thoroughly enjoyed doing some deep breathing exercises with their breathing buddies.

Sunshine!

It has been a sunny week, this week so we have spent lots of time outside enjoying it! The children are enjoying playing in our new sand pit, we have been building some fantastic obstacle courses, been extremely engaged in our outside water play and had lots of fun on the balance bikes this week.

Fabulous motor skills

The children have been really impressing us over the past couple of weeks with their fabulous motor skills! We did some super threading last week and this week we have been carefully placing the natural objects onto some swirly patterns – they looked great! We have also continued to practise our gross motor skills in PE this week and the adults were so impressed with the concentration and control the children possessed!

Enjoy the sunshine this weekend!
