

HARRIS PRIMARY SCHOOL

PRE-SCHOOL NEWSLETTER

Week ending 8th May 2026

Things to Remember:

- Please NAME all uniform. Thank you.

What's that we can hear?

This week, we have been reading 'The Cow Said Neigh!', linking to our Phonics learning which was listening for environmental sounds. We spoke about the sounds we might hear on a farm, what we hear at home and at school. The children came up with some fantastic ideas! They said they can hear drums when it is music day in school, the microwave at home and a tractor at the farm. We also played a game where the children had to listen to a sound and decide whether you hear it at home, in a forest or at the farm. They were excellent at guessing the sounds and had some really imaginative ideas!

Fee Fi Fo Fum!

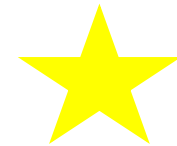

Our broad beans are growing wonderfully! They are growing super tall so we have planted them in our school garden. The children did a fantastic job and used their listening ears to carefully dig a hole with the gardening tools and plant the beans into the soil. We will keep watering them regularly to see how tall they can grow!

Water fun!

Mrs Bilsbrough has been a wonderful new water wall for the children! The children are really enjoying playing with the new equipment and are treating it with respect and care. Well done children!

Have a wonderful weekend!

The Pre-School Team 😊
