Week ending 15th May 2026

Animal sounds!

This week, our book of the week has been 'What the Ladybird Heard on Holiday'. We listened to what the ladybird had heard, imitating the sounds as we read the story. We also read 'What the Ladybird Heard Next'. This week, we've also been listening to different animal sounds, having a good guess as to what they might be. Some of the sounds were really tricky to identify!

Threading

The children have been using the careful fine motor skills this week to thread the beads onto the shoelaces. Some children noticed that some of the shoelaces had repeating patterns on them so they decided to make some of their own, using ABAB patterns.

PE

The children are really enjoying their PE lessons with Mr Ridge. Their gross motor skills are really improving and the children's enthusiasm is lovely to see. Each week, their control, aim and accuracy is getting better and better. Well done!

Mrs Thompson

We're very sad to say that Mrs Thompson will be leaving us on Friday 22nd May. Mrs Thompson will be moving back down south, to her hometown, to spend lots of time with her family and friends. We will all miss her dearly and hope she comes back to see us for a visit!

Have a wonderful weekend!

The Pre-School Team 😊
