PRE-SCHOOL NEWSLETTER

Week ending 22nd May 2026

Self-portraits

This week, our book of the week was 'Pippin Paints a Portrait'. In the story, Pippin explores different artists' styles whilst creating his own self-portrait. The children studied their facial features in the mirror very carefully, looking at the shape of their faces and the different colours they need for their hair, skin and eyes. Using the mediums of paint, paper and paintbrushes, the children painted their portraits brilliantly!

Body Percussion

In Phonics this week, we have been exploring body percussion. The children have been playing Follow My Lead, making different sound with their bodies (clapping, stamping, clicking etc.) whilst the other children copy. The children took turns beautifully and worked super hard.

Budding builders!

We love how imaginative the children are when it comes to building sculptures in our construction area! The children are always coming up with new things to build, carefully selecting the different shaped blocks for different parts of their sculptures. We have had car parks, castles and enclosures!

Thank you for all of your support this half term. Have a wonderful half term break and we will see you all on Monday 1st June!

Have a super break!

The Pre-School Team 😊
