

Miss Clayton's Takeaway Menu – Summer 2

The homework activities in the table below are all linked to your learning in class. We are excited to see your home learning and we are hoping to put some of your brilliant pieces on display throughout the year. If you have photos of extra home learning or achievements from home, you can also put these in your homework books to share with the class and your teachers.

Aim to complete two pieces of homework each week and please tick or cross off which of the activities you have completed. At the back of your homework books are spelling and maths facts assessments. The Year 3 teachers will tick off throughout the half-term when you have achieved some of these skills. If you are feeling super ambitious, you can practise these spelling and maths skills at home!

<p>Maths Reasoning</p> <p>Complete the maths reasoning questions in your homework book.</p>	<p>SPaG</p> <p>Complete the SPaG questions in your homework book.</p>	<p>Maths Arithmetic</p> <p>Complete the maths arithmetic questions in your homework book.</p>	<p>Reading Comprehension</p> <p>Complete the reading comprehension questions in your homework book.</p>
