

HARRIS PRIMARY SCHOOL

Be Kind • Be Thankful • Be Ambitious

Year 2 Summer 2 Homework Menu

Homework should be a fun way to enhance learning. It should not be a task or a chore. The tasks are often open ended so please allow your child to show their learning in a way that suites them. There is no hand in day for homework but children can share their Homework Journals as and when with the class by way of recognition for their hard work. Please keep the Homework Journals in the school bag so that new work can be slotted into them. **Please don't** leave sheets in plastic reading wallet as they get crumpled and lost. They can either glue in or taken out at home, Thank you.

MUST Daily reading and / or questions	MUST Multiplication practise, games or TT Rockstars Children need to practise and learn their x 2, x5, x10	MUST Spellings. We will be using Spelling Frame this year. Log ins are in the front of the diaries. We have 1 week of homophones left to do then children will be revising common exception words.	
Literacy Please log into IXL and complete an area of choice or the set learning. Log ins are in the front of the diary, Sometimes sheets may go home instead and should be glued in and returned in their Homework Journal. These will include handwriting sheets started in class to be completed at home.		Maths Learn to tell the time. We will be focusing on this over the half term - little and often. Please support this at home. By the end of Year 2 children should be able to read the time to and past using 5 minute intervals. They should also be able to solve problems ie one hour before, 5 minutes later.	
Ice lolly prize this half term for any of the below handed in before the last week!!			
English Recap non-chronological report by writing about a booklet about farm animals.	Art / History / English Find a picture of a beach holiday setting from about 100 years ago. Draw or paint the scene on one side and write the postcard on the other as if you were there at that time.	Geography Using a map and symbols create a coastal weather report. Use directional language (North, West, East, South). Film it and send it in.	Science Having looked at living things, animals and plants over the year and focusing on farms last term - make a poster or report about life at the coast. You could even just focus on one animal and do this in detail.
