

# HARRIS PRIMARY SCHOOL

## PRE-SCHOOL NEWSLETTER

Week ending 5<sup>th</sup> June 2026

### Rhyme Time!

In Phonics this week, we have been recapping on rhyme and exploring syllables! The children are absolute superstars at identifying rhyming words and coming up with new ones and they have picked up the concept of syllables incredibly quick. The children have been clapping the amount of syllables in their names and also going around the classroom, clapping the amount of syllables in our everyday objects name. Well done!

### Fine motor fun

This week, the children have been making and decorating our classroom with some wonderfully long paper chains. They have been gluing the paper strips and carefully threading them through the paper loops they have already created. Excellent work!

### Summer?

Our book of the week this week was 'Hello Summer'. We were hoping to go on a Summer Walk this week but the weather has not been kind to us! Hopefully we can go on a walk today to identify signs of Summer. We have been discussing in class what Summer might look like and the things we might hear, see, smell and taste. The children will be ticking off their checklist the different signs of Summer we see in our school grounds and discussing the differences between the other seasons.

Thank you for your continued support and have a wonderful weekend!  
The Pre-School Team 😊
