

HARRIS PRIMARY SCHOOL

PRE-SCHOOL NEWSLETTER

Week ending 10th July 2026

Elmer

Our book of the week this week has been 'Elmer'. The children really enjoyed this story and talking about differences in our looks and personalities. The children have made their own Elmer elephants using milk bottles, tissue paper and PVA glue. They followed the instructions wonderfully and took their time to create some really good pieces of artwork. Well done!

Party time!

This week, we have been prepping for our graduation party! We have made some party hats for us to wear and the children are very excited!

PE

The children have been absolute superstars in PE – not just this week, but all academic year! The skills they have learnt over this year has been incredible and will set them up beautifully for their PE lessons when they start Reception in September!

Thank you!

As this will be the last Pre-School newsletter, we wanted to take the opportunity to thank you all for your support over this academic year. We have absolutely loved caring for your children this year and wish them, and you, all the best next year.

Have a fab weekend!

The Pre-School Team 😊
