

HARRIS PRIMARY SCHOOL

PRESCHOOL NEWSLETTER

Week ending 2nd October 2026

Dear Families,

We have had a colourful and busy week in Preschool! Our 'Book of The Week' has been The Colour Monster by Anna Llenas, which has given us lots of opportunities to talk about our feelings and emotions. The children have enjoyed thinking about how different feelings might look and talking about times when they have felt happy, sad, angry, calm, scared or loved.

We got creative by painting our own Colour Monsters, choosing colours to represent different feelings. We also made some fantastic Colour Monster sensory bottles for our classroom, which we can continue to use when talking about and recognising our emotions. The children have developed their fine motor skills with Colour Monster threading activities and enjoyed using puppets to retell parts of the story and talk about how the different characters might be feeling.

We have also made the most of our outdoor provision this week. The children have enjoyed water play, exploring the mud kitchen, digging and creating in the sandpit, as well as joining our Reception friends for some fantastic chalking on the playground. It has been lovely to see the children playing, talking and sharing together across our EYFS provision.

In PE, we had our first go at relay races! The children practised taking turns, running and working as part of a team while using our tactile sensory balls. We had great fun!

Happy weekend! The Pre-School Team 😊

Things to Remember:

- Please send your child with a COAT EVERY DAY.
- Please remember to pre-order your child's school dinner.
- Please label your child's lunch box/bag.

Many Thanks!
