

HARRIS PRIMARY SCHOOL

PRESCHOOL NEWSLETTER

Week ending 9th October 2026

Dear Families,

This week we have been sharing the story *Mixed: A Colourful Story* by Arree Chung. The children have really enjoyed exploring colours and discovering what happens when we mix them together. Throughout the week, we experimented with mixing the primary colours to create new colours, which we then used in our own colourful paintings.

We have also been busy with our maths learning, practising our touch counting up to five and recognising the numerals 1-5. We have explored this through fun games on our interactive whiteboard as well as during our play with an adult. The children also used tweezers to carefully pick up the correct number of coloured pom-poms before matching and placing them into the corresponding coloured cups. This was a great way to practise counting, colour recognition and those all-important fine motor skills!

We have also been talking about the importance of looking after our teeth. We discussed why we need to brush our teeth every day and how this helps to keep them clean, strong and healthy. Each child has taken home a new toothbrush and tube of toothpaste, which we hope will encourage lots of brilliant brushing at home!

Another lovely week of learning, exploring and having fun together in Preschool!

Happy weekend! The Pre-School Team 😊

Things to Remember:

- Please remember to pre-order your child's school dinner.
- Please label your child's lunch box/bag.
- **PACKED LUNCHES:** Grapes **MUST** be cut in half length ways!

Many Thanks!
